EU ports facilitate:

74 %
of the EU's
external trade

30 %
of intra-EU
freight

EU ports handle:

3.4
billion tonnes
of goods

395
million passengers
annually

EU Ports Strategy

The Strategy supports EU ports by

Strengthening competitiveness, innovation and digitalisation.

Advancing the energy transition, sustainability and clean industries.

Protecting and securing ports.

Promoting social cohesion, skills and quality jobs.

Facilitating access to finance and investment.
